

The logo consists of the letters 'EPS' in a bold, white, sans-serif font, centered within a red rounded rectangle. The background of the entire page features a diagonal split: the top-left is white, and the bottom-right is a vibrant red. A large, detailed image of an offshore oil rig is positioned along the diagonal, with its structure extending from the white area into the red area. The rig is illuminated by warm, golden light, suggesting a sunset or sunrise, with the sun visible on the horizon to the right. The rig's complex framework, including platforms, ladders, and pipes, is clearly visible against the bright sky and the dark sea.

OUR HISTORY

EPS Support Services specializes in facilitating successful joint ventures, technology transfer, and business localization in Saudi Arabia and the Middle East, with deep expertise in the oil, gas, petrochemical infrastructure, and industrial sectors.

At EPS Support Services, we are dedicated to helping businesses establish, expand and succeed in Saudi Arabia and the Middle East. With over 10 years of experience, we specialize in facilitating joint ventures, technology transfer, and business localization while offering comprehensive solutions across the oil, gas, petrochemical, infrastructure, and industrial sectors.

We are experienced and highly-recommended Consultants in oil and gas in and around GCC Region for four decades. EPS Support Services is specialized in Renewable Energy and Hydro Carbons Project Consultancy.

We are working closely with current Upstream/Midstream/Downstream Operations and our client include Saudi Aramco, SABIC, Sinopec, Modon, NESR, Saudi Bester, CCS etc.

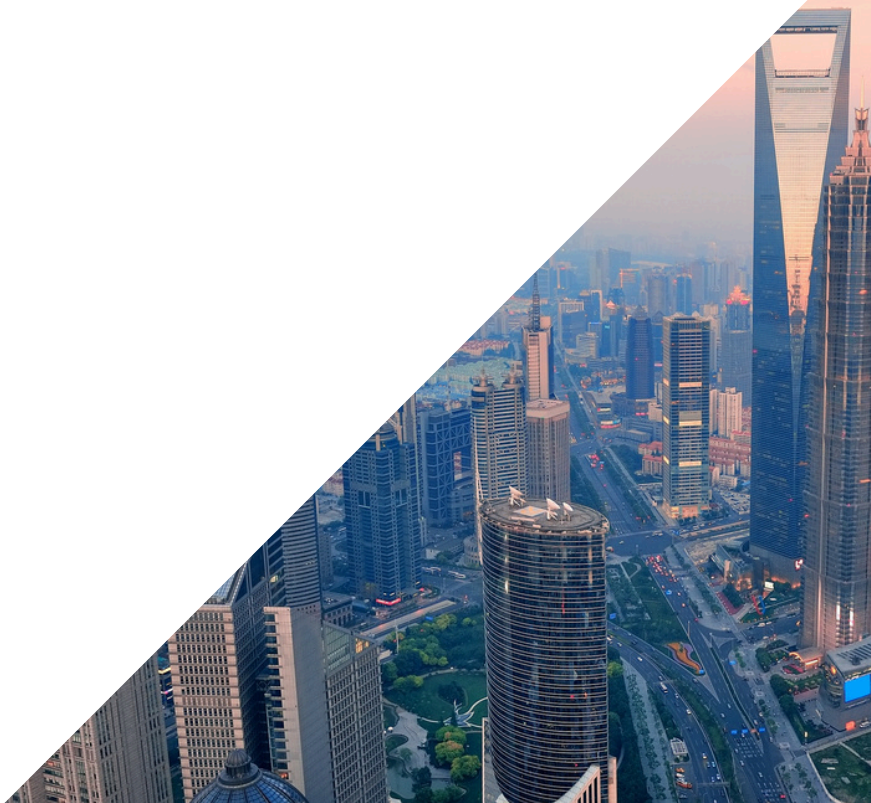

OUR VISION

OUR VISION

To be the premier strategic partner for companies seeking sustainable success in the Middle East business ecosystem, recognized for our expertise, integrity, and results-driven approach.

OUR VALUES

- **EXCELLENCE:** Delivering exceptional service and measurable results
- **INTEGRITY:** Maintaining the highest ethical standards in all our dealings
- **INNOVATION:** Finding creative solutions to complex challenges
- **CULTURAL SENSITIVITY:** Respecting and bridging cultural differences
- **PARTNERSHIP:** Building lasting relationships based on mutual success

OUR MISSION

OUR MISSION

To enable seamless business integration and operational excellence for international companies entering or expanding in the Middle East market through specialized consultancy services and deep local knowledge

OUR APPROACH

EPS Support Services employs a collaborative, client-centered approach:

1. **UNDERSTAND** your unique objectives, challenges, and requirements
2. **ANALYZE** the local market context and regulatory landscape
3. **DEVELOP** customized strategies and implementation plans
4. **EXECUTE** with precision and cultural sensitivity
5. **OPTIMIZE** through continuous measurement and improvement

OUR TEAM

Our consultants combine international business expertise with deep local knowledge of the Saudi Arabian and Middle Eastern markets. With backgrounds in joint venture management, technology transfer, procurement, manpower solutions, and oil and gas operations.

ABOUT EPS SUPPORT

EPS Support is a Saudi-based company that helps businesses seamlessly navigate regulatory landscapes, procurement challenges and workforce needs to achieve long-term success in the region.

OUR EXPERTISE

We provide an end-to-end suite of services designed to help businesses overcome market entry barriers and maximize operational efficiency.

OUR KEY AREAS OF EXPERTISE INCLUDE:

- Joint Venture Facilitation
- Technology Transfer
- Business Development & Localization
- Procurement Planning
- Resource Solution Provider
- Oil & Gas Specialization
- Infrastructure and Industrial Projects

WHY CHOOSE EPS?

- 10+ years of experience in the Middle East market
- Deep understanding of Saudi Aramco, SABIC & major infrastructure project requirements
- Proven track record of successful joint ventures
- Comprehensive localization expertise
- End-to-end consultancy from market entry to operational excellence

OUR MESSAGE

Welcome to EPS Support Services!

At EPS Support Services, we are committed to driving business success by offering specialized solutions in joint ventures, technology transfer, brand & IP valuation, business consultancy, regulatory registration pre-qualification services and business localization in Saudi Arabia and the Middle East, with deep expertise in the oil, gas, petrochemical infrastructure, and industrial sectors.

With extensive expertise in the Saudi and GCC markets, we empower organizations with the insights, strategies, and compliance support needed to thrive in today's competitive landscape.

Our tailored services ensure that businesses navigate complex regulatory frameworks, secure strategic market positioning, and maximize the value of their intellectual and corporate assets. Whether you are expanding operations, enhancing brand equity, or streamlining compliance processes, EPS Support is your trusted partner for sustainable growth and success.

Partner with us today and unlock new business opportunities across the GCC

Our Engineered Equipment Division

- » Our "Engineered equipment" division is the flagship segment that looks after the Electro-mechanical, Instrument, Communication and Lighting products in Saudi Arabia and the wider Middle East.
- » We cover entire process industry comprising Oil & Gas, Petrochemicals, Utility Projects and Infrastructure Projects
- » We represent major global brands to cover comprehensive range of solutions and products tailored to cater the needs of our valued customers.
- » We help build, connect, power and protect valuable assets and critical infrastructure.
- » We believe in renewable energy and electrification to change the world with digitization, green energy and grid modernization.

EPS ENGINEERING SERVICES

EPS SUPPORT: ENGINEERING EXCELLENCE & INDUSTRIAL SOLUTIONS

EPS Support is a trusted provider of engineering design, drafting, and industrial compliance solutions, delivering precision, efficiency, and regulatory adherence across various industrial sectors. Our team of highly qualified engineers and drafting experts ensures that every project meets the highest industry standards while optimizing costs and enhancing productivity.

ENGINEERING & DRAFTING SOLUTIONS

We provide comprehensive engineering design and drafting services, from conceptualization to fabrication-ready drawings. Our expertise in CAD, 3D modeling, and shop drawings ensures accurate and efficient execution of industrial projects.

PIPING DESIGN & DETAILING

Our piping design and detailing services focus on efficient layouts, material optimization, and compliance with industry standards, reducing waste and minimizing installation and maintenance costs.

EPS ENGINEERING SERVICES

STRUCTURAL DESIGN & DRAFTING

We deliver code-adherent structural designs, ensuring safety, durability, and cost-effectiveness. Our detailing and drafting services cover everything from frameworks to support structures, meeting local and international standards.

CADWORX PLANT 3D MODELING

With advanced CADWorx Plant 3D modeling, we provide highly accurate plant layouts and visualizations, helping businesses optimize design accuracy and project execution.

PROCESS SKID ENGINEERING

We specialize in modular skid design for oil & gas, petrochemicals, refineries, and industrial plants. Our services cover piping system analysis, structural framework engineering, and 3D modeling, ensuring seamless integration and compliance with ASME and API standards.

PRESSURE VESSEL & EQUIPMENT DESIGN

Our ASME-compliant pressure vessel design services include fabrication-ready drawings, internal support design, and lifting arrangements. We help businesses streamline their manufacturing and compliance processes, ensuring optimal performance and safety.

EPS ENGINEERING SERVICES

A photograph of an industrial facility, likely a refinery or chemical plant. It features a complex network of red pipes, metal scaffolding, and a large blue industrial motor. The background shows a clear blue sky.

HEAT EXCHANGER DESIGN & FABRICATION

We provide TEMA and ASME-compliant heat exchanger design, covering tube sheet design, fabrication detailing, and hydro-test arrangements. Our expertise ensures efficiency, durability, and seamless integration into industrial systems.

ELECTRICAL AND INSTRUMENTATION ENGINEERING

EPS provides comprehensive Electrical and Instrumentation (E&I) Engineering Support, ensuring seamless integration, compliance, and efficiency in industrial projects. From power distribution and control systems to instrument calibration and automation.

Why Choose EPS Support for Engineering Services?

At EPS Support, we go beyond standard engineering services—we provide strategic solutions that drive industrial efficiency and compliance. Our expertise in engineering design, drafting, and industrial regulations ensures that businesses operate with precision, cost-effectiveness, and adherence to global standards.

OUR COMMITMENT TO EXCELLENCE:

- ✓ **Industry Expertise:** Decades of experience in engineering consulting and industrial compliance
- ✓ **Regulatory Compliance:** Specialized in Aramco-approved consultation services & vendor induction.

KNOW ABOUT US

1. JOINT VENTURE CONSULTANCY

Facilitating successful partnerships between international companies and Middle Eastern entities

EPS Support Services provides comprehensive consultancy for companies seeking to establish and maintain successful joint ventures in Saudi Arabia and the Middle East, at large. Our deep understanding of local business practices, regulatory requirements, and cultural nuances enables us to guide our clients through every stage of the joint venture process.

2. TECHNOLOGY TRANSFER SERVICES

Bridging technological gaps for successful localization in the Middle East

EPS Support Services specializes in facilitating effective technology transfer between international companies and Saudi Arabian/Middle Eastern entities, ensuring smooth knowledge transition while protecting intellectual property and maintaining operational excellence.

ENTERPRISE SUCCESS

3. BUSINESS DEVELOPMENT & LOCALIZATION

Navigate market entry and expansion in Saudi Arabia and the Middle East

EPS Support Services provides comprehensive business development and localization consultancy for international companies seeking to establish or expand their presence in Saudi Arabia and the broader Middle East region.

4. OIL & GAS SECTOR SPECIALIZATION

Deep expertise in Saudi Arabia and Middle East energy markets

EPS Support Services offers specialized consultancy services for companies operating in or entering the oil, gas, and petrochemical sectors in Saudi Arabia and the broader Middle East, with particular expertise in navigating the Aramco and SABIC ecosystems.

5. PROCUREMENT PLANNING

Strategic procurement solutions for Middle East operations

EPS Support Services provides comprehensive procurement planning consultancy to help companies optimize their supply chains, meet localization requirements, and achieve operational excellence in Saudi Arabia and the Middle East.

SUSTAINABLE GROWTH

6. RESOURCE SOLUTION PROVIDER

Strategic workforce planning and development for Middle East operations

EPS Support Services provides specialized manpower solutions for companies operating in Saudi Arabia and the Middle East, with a focus on meeting localization requirements while maintaining operational excellence.

7. VENDOR DEVELOPMENT & COMPLIANCE

Saudi Aramco 9COM Approval Support

Navigating the complex approval process for Saudi Aramco's 9COM vendor registration requires a strategic and well-structured approach. EPS Support Services provides end-to-end consultancy to help suppliers meet Aramco's rigorous qualification standards.

Registration Approval Letter

September 03, 2024

Attention : ENERGY PROJECT SUPPORT SAUDI COMPANY LIMITED.

CR Number : 2051233670

Supplier Type: Service Provider Only

Country : Saudi Arabia

We are pleased to inform you that ENERGY PROJECT SUPPORT SAUDI COMPANY LIMITED. is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10113751, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Faisal Hamad Al Dossary, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
